**Federal TBI Program Leadership Meeting  
April 2-4, 2008  
Doubletree Hotel and Executive Meeting Center  
Bethesda, MD**

**WEDNESDAY - Orientation Meeting for Individuals with TBI and Family Members**

**11:00 am**

**Learning Objectives**

The overall learning objective is to gain information and resources about strategies for building and sustaining dynamic partnerships and collaborations in which the Lead Agency and Protection & Advocacy Systems have a significant role in affecting the impact of the outcomes. To do so States and Protection & Advocacy Systems grantees will:

- Explore initiatives and ideas for working with Servicemembers with TBI.
- Be able to identify common threads that build sustainability and clarify differences relative to the opportunities and challenges in their own States.
- Learn about a person centered approach to employment for individuals with TBI.
- Explore a variety of approaches to laying the foundations that build capacity and appropriate supports for children & youth with brain injury.
- Have opportunities to hear and discuss a variety of relevant topics being addressed in the breakout sessions.
- Have opportunities to present and showcase their products and ideas focusing on strategies, impact and outcomes.
