

# Tools For Your Trade:

NASHIA Partners with John D. Corrigan, PhD,  
Ohio Brain Injury Program:  
"What if There's a Traumatic Brain Injury?"

Wexner Medical Center

- Have you begun to partner with Mental Health, Criminal Justice, Domestic Violence, or Homelessness Community Partners on understanding why traumatic brain injury is critical in these settings?
- Do you already have a partnership but need comprehensive training for these provider settings?
- Does your ACL grant or state plan involve building workforce capacity addressing these populations?

This introductory one-hour webinar is your solution!

This training seeks to answer:

- What if there is a TBI
- What are the effects of TBI
- Why TBI is associated with behavior problems
- How to determine if someone has had a TBI

This training crosses many settings:

- Behavioral health
- Substance/Opioid misuse
- Criminal justice
- Homelessness
- Domestic violence
